Observation:

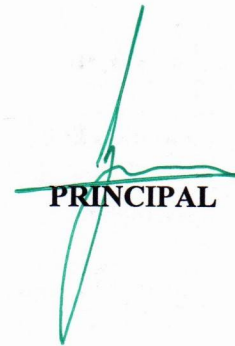

The average faculty feedback obtained for this academic year is 88.14% with lowest=70.66% and highest=100%.

Action suggested:

As per College norms, it is expected that every faculty get minimum feedback of 70% in their respective course. Since all faculties have obtained feedback is above 70% it is suggested to the concerned faculty to continue the same good work and improve further

Action taken based on the suggestion of previous year:

As suggested to Mrs. Vidyalakshmi in the Engineering Physics course the performance has improved as observed in the student feedback (from 69.58 % to 88.95 %).
