About The Institute

Canara Engineering College was started as a Konkani Linguistic Minority institution by Canara High School Association in the Year 2001. The Konkani speaking community of Dakshina Kannada, Udupi and Uttara Kannada District felt a vital need for quality education in the field of Engineering. The college attempts to fulfill this need by giving excellent training to students in the field of Information science and Engineering, Electronics & Communication Engineering, Computer Science & Engineering, Electrical & Electronics Engineering and Mechanical Engineering, in UG., Electronics, Computer Science in PG along with Ph.D and M.Sc.(Engg) in E&C, Ph.D.in Chemistry.

About The Central Library

"One best book is equal to hundred good friends but one good friend is equal to a Library". – Dr. A P J Abdul Kalam

Library is a store house of knowledge. The central Library of CEC is located in the heart of the institution and is easily accessible to its clientele. The library has got an independent building with carpet area of 1305.68.mtrs, spread in 2 Floors. It can accommodate 300 users at a time. The collection of library is more than 47000 including general Book bank books and SC/ST Book Bank which includes Text and Reference books, Competitive Examination books and general knowledge books, available for all round development of personality. The Library subscribes 52 Indian Journals, 16 technical magazines and 03 International Journals in print version, for use of UG and PG students, Faculty and Staff. We have access to more 11000+ online journals, 21000+ E books, Articles from various publishers like Springer Nature, Taylor&Francis, Elsevier /Science Direct, McGraw Hill, New Age International , Emerald, Proquest, Packt, IEEE POP, Mint Books, MAP My Access digital platform and Remote access and Turnitin Plagiarism Originality online Check Tool, Lanquill (Sententia Netanalytiks) Grammar Tool, etc.. Subscribed packages under VTU Consortium. The Library has a separate Reading Room and Reference section reading hall. Library has a separate stack hall for books, Reference section and Book Bank. The in-house activities of the Library are computerized and all books bar coded.

Vision

To make world class centre for quality resources in print and digital form, to facilitate learning and research.

Mission

To enable our readers to make use of Library resources and services most effectively with help from modern technological tools and applications.

Objectives

- To be user centric
- Build collections and create tools to support teaching, learning and research.
- Provide access to current and updated information resources.
- To help users to find right information at the right time.
- To help users in their curriculum activities with knowledge support.
- Providing comfortable learning environment to users.

Our Web Address

The central library website is always where your research starts. Everything you want to know about our library is found at <http://www.canaraengineering.in/library.php>

Digital Library

A Digital Library having 16 systems and 36 extended docking area facilities with internet facility with speed of 300MBPS. The digital Library exclusively used for the online access of e-Journals, e-books, conference proceedings, articles, educational videos and e-resources.
